AUCTION CATALOG | SATURDAY, MAY 6, 2023

Welcome to the Muscarelle Museum of Art Foundation's 12th annual *Wine & Run for the Roses*! As always, we're looking forward to a day of exciting bidding, fabulous fare and wonderful friends — all culminating with the running of the 149th Kentucky Derby. We're grateful to each of you for being here to celebrate with us and support the Museum in our mission to expand art exploration.

This year, we mark 40 years since the opening of the Muscarelle Museum of Art in 1983. Over the course of the year, we'll host a number of lectures and other special events that reflect on the past, present and future of the Museum. With construction underway on our expansion and renovation project, we're planning pop-up exhibitions, immersive experiences and collaborative events that bring the Museum into the community in new and exciting ways.

We're also looking forward to our new, expanded facility and the tremendous opportunities we'll have to engage both campus and community as a state-of-the-art regional venue. With three times the gallery space, much-needed work and storage areas, and a dedicated educational wing, the expanded Museum will allow us to take our cultural mission to even greater heights. Your generosity today with the "Paddle Raise" will provide important support for our efforts to meet our fundraising goals and carry this project over the finish line.

Today's event would not be possible without the hard work and generosity of many. My heartfelt thanks goes to our Board of Trustees and others in attendance today for your donations and sponsorships. The *Wine & Run for the Roses* Committee has worked tirelessly to make this event a success and deserves our deepest gratitude. I also want to thank our Museum staff, student interns and volunteers for their excellent work, especially in this year of transition. Our community has come together like never before to launch an exciting new phase in the Museum's story — and I can't wait to see what comes next.

Have a wonderful day,

COWHORN
VINEYARD & GARDEN

We are the custodians of two incredible organic and Biodynamic properties in Oregon. Our teams believe they are caretakers of the land for the next generation. It's our responsibility to care for these properties, until the next generations fulfill the same role in the future. Overall, we want to build self-sustaining, holistic farming systems that produce an honest expression of the land, which is expressed through our wines.

BIODYNAMIC FARMING AND WINEMAKING

Our approach to winemaking begins in the vineyard. Like our farms, our wineries are both Organically certified by CCOF and Demeter-certified Biodynamic. We strive to create the finest wines possible with the least amount of intervention, chemicals, additives, or ingredients. Our goal is to allow the grapes to develop into the purest wine possible, letting the essential flavors of the vineyard be expressed most clearly. Biodynamic® agriculture (some referring to it as organics 2.0), as a whole can be summed up as

a sustainable, holistic approach to farming that utilizes organic, locally sourced materials for fertilizing and maintaining overall soil health. Its practices and farming methods focus on creating healthy soil by restoring and enhancing ecological harmony and avoiding the use of chemical fertilizers.

COWHORN VINEYARD & GARDEN

A certified Biodynamic and Organic farming system, Cowhorn Vineyard & Garden is nestled in the fertile Applegate Valley of southern Oregon. Being just a few miles north of the California border, this property is ideally suited for Syrah and the Northern Rhone varieties. Cowhorn has always been nature-focused, farming in harmony with the ecosystem as a whole provides a site-specific wine that represents a sense of time and place. Vinified using a low intervention approach, the result is an unmistakable wine that reflects the healthy, nutrient rich vineyard from which it comes.

Located in Oregon's Willamette Valley, within the Van Duzer Corridor AVA, Johan Vineyards is an 85-acre certified-Biodynamic® and organic Estate winery. The focus is on growing cool climate varieties such as Pinot Noir, Chardonnay, Pinot Gris and Zweigelt. Johan maintains a long-term view both in the vineyard and the cellar, nurturing a healthy, diverse microbiological system in our soil and producing wines that are alive and capable of evolving over many years.

THE 'BIG' WHY

"We just want to make the best and truly authentic wine possible. The team and I believe that Biodynamic philosophies and working with nature instead of against it, is the best way to achieve this goal."

MINI BYERS

The wine industry is fully dependent on the natural world so we should be focusing on making it better, not just taking from it. I was lucky enough to grow up surrounded by the wine industry and the incredible characters that make it so beautiful. Through these experiences, I have learnt it's impossible to know everything and that is why I believe in building a strong team of brilliant, passionate people around me. Together we will build on this great foundation and hopefully use our wines as a tool to help educate all wine lovers about responsible farming practices and wines that truly tell the story of the place they come from.

A VIRGINIA NORTON WINE WAS EVEN NAMED “BEST RED WINE OF ALL NATIONS” AT THE VIENNA WORLD’S FAIR IN 1873, AND WAS AWARDED A GOLD MEDAL AT THE PARIS WORLD’S FAIR OF 1889 – THE YEAR THE EIFFEL TOWER WAS CONSTRUCTED.

Virginians have made wine for more than four centuries. The Jamestown settlers had hoped that Virginia would become a major source of wine for the British Empire. They signed a law that required each male settler to plant and tend at least 10 grape vines. Little came of this because every effort to grow vinifera, or vines of European origin, met with failure from an unknown pest, Phylloxera, as well as disease due to the new environment. The booming tobacco trade soon diluted British interest in the possibilities of American wine, and the American settlers themselves lost interest. While fine wine could be had only from European suppliers, whiskey, beer and brandy were plentiful.

In hopes of one day realizing the promise of fine Virginia wines, Thomas Jefferson cultivated European grapes for more than 30 years. His Monticello vineyards, however, never produced a single bottle of wine. He wasn't alone in trying. After 11 years of efforts at Mount Vernon, George Washington, too, had nothing to show for his work. In the 1820s, wines made from Native American grapes met with great success. Also, the late 1800s discovery that native and European vines could be grafted gave Virginia's nascent wine industry a lift. In the early 20th century,

Prohibition promptly brought wine production to a standstill. The industry was slow to bounce back. Some 17 years after Prohibition's repeal, Virginia still had only 15 acres of commercial wine grapes.

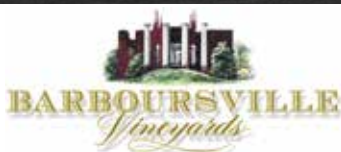

In the late-1950s experimental planting of vinifera showed promise. With the establishment of six new wineries in the 1970s, the recovery was officially underway. A renewed effort to grow an European Chardonnay succeeded at the Waverly Estate in Middleburg in 1973. Then in 1976, Italian pioneer vintner Gianni Zonin hired Gabriele Rausse to grow and harvest vinifera grapes near Charlottesville.

He established Barboursville Vineyards and helped other vintners do the same. By 1995 Virginia had 46 wineries, by 2005, 107. At over 300 wineries and counting, today only California, New York, Oregon and Washington have more wineries than Virginia. The persistence of generations of winemakers is paying off, and the vision of one of Virginia's most renowned native sons, Thomas Jefferson, is now coming true.

Barboursville is a magnificent and historic estate located between Monticello and Montpelier. It is home to Virginia's most honored winery, founded in 1976 by the Zonin Family, who have been prominent in Italian viticulture since 1821.

Defying the unanimous advice of many people to plant tobacco at Barboursville, Gianni Zonin – heir to a family wine enterprise in the Veneto – acquired Barboursville plantation with the seemingly ridiculous expectation of creating a vineyard.

Jefferson had attempted this, persisting into the 19th Century at Monticello, always failing to achieve a single harvest. He would be pleased that wine is being produced at his neighboring plantation, home to a dear friend and for whom he designed the historic mansion.

Because of Gianni Zonin and Luca Pachina, the resident winemaker since 1990, Barboursville has been drawn totally into the wine world's embrace, and inspired hundreds to follow their example. Celebrating the winery's 40th anniversary in 2016, they continue to set the standard for Virginia now populated with more than 300 wineries. Barboursville produces Octagon, the most renowned red wine of Virginia.

Chatham Vineyards on Church Creek

The land at Chatham, which overlooks Church Creek, was patented in 1640. The Federal-period brick house, Chatham, was built in 1818. The historic outbuildings, barns and two early 1900s homes on the property have been renovated in recent years. Chatham Farm has been a working farm for four centuries.

Since 1999 more than 20 acres of high-density (1,740 vines per acre) French vinifera varieties have been planted. They are Merlot, Chardonnay and California Cabernet Franc rootstock, Cabernet Sauvignon and Petit Verdot. The vineyards are cane pruned during the winter months to balance the vines and limit yields to less than four tons per acre thereby concentrating wine flavors. The grapes are handpicked and sorted before pressing to ensure the highest quality of the juice. Grapes not vinified at the winery are sold to other wineries in Virginia.

The winery was constructed in 2005 and currently has a production capacity of 3,000 to 5,000 cases annually. Temperature in the winery is maintained at 50 degrees year round. A retail tasting room is located in the winery.

Thibaut-Janisson was born from a long friendship that began in a Grand Cru village in the Champagne region of France. Thibaut and his friend Manuel Janisson, both from champagne-producing families in the town, started in the family businesses at a young age. When Thibaut came to work in California in 1983, he had already spent a few years working in Australia. Thibaut arranged for Janisson to come work with him in California and the two young men began talking of one day producing a sparkling wine together. About 25 years later, they agreed that Virginia would be the place to do it.

Thibaut came to Charlottesville in 2003 to consult at Kluge Estate Winery. In 2005 after seeing the potential for Virginia sparkling wine, Thibaut and Janisson began their joint venture and in 2007 they had the first release of their nonvintage Blanc de Chardonnay. Virginia Fizz, a sparkling wine, followed in Spring 2011.

Both wines are produced at Veritas Winery in Afton, Virginia, west of Charlottesville.

A passion for fine wine and sustainable working lands drove Tayloe and Suzy Dameron to open Upper Shirley Vineyards, a state-of-the-art winery in the cradle of American history. The vineyards are nestled alongside the gently flowing James River with breathtaking views of the Presquile National Wildlife Refuge, a 1,329-acre island bird sanctuary. Upper Shirley Vineyards welcomes guests to its beautiful 14,000-square-foot Low Country winery to taste its wines, enjoy Chef Carlisle Bannister's fine Southern cooking and celebrate life in the warm embrace of Tidewater Virginia.

At Upper Shirley Vineyards, they think of a great wine grape as a balance between complex flavors, sugars, acids and more.

They believe they stand the best chance of finding that elusive balance with their intentional lack of mechanization and by nurturing each individual vine, one at a time, as often as six times a year, all 12,000 of them.

Established in 2013, Upper Shirley Vineyards has 19 acres under vine consisting of merlot, petit verdot, tannat and viognier, with plans to expand. They diligently selected varieties of European vitis vinifera grapes to match their terroir.

In 1999 Andrew and Patricia Hobson bought Saddleback Farm near Afton, which at the time was a simple horse and cattle farm. Patricia saw the potential in the land and planted several acres of grapes with a wish and prayer. By 2001 they had their first vintage ready for production. That year Andrew tried his hand at winemaking with great success and their love for the Virginia wine industry blossomed.

Since then the Hobsons have worked tirelessly to expand on their vision. The business is truly a family affair as they have been joined by all three of their children in the running and development of the business. Their philosophy is to make wine with the classic, old-world principles of viticulture and vinication, at the same time using state of the art technology to capture varietal and regional character. Their name derives from the Roman historian Pliny the Elder's observation "In Vino Veritas" - "In Wine there is Truth." They believe that the truth in their wine comes straight from their vineyard as an expression of the land where they live and work.

The Williamsburg Winery, located on a 400-acre farm, is known as Wessex Hundred. The use of "Hundred" to name a property dates to the Colonial era and describes parcels of land sufficient to support a hundred families regardless of actual acreage.

With its first wine released to critical acclaim in 1988, the Winery began a tradition of fine winemaking that lives on today. Inspired by Europe's finest estates, the Winery is presided over by two generations of the Duffeler family-united by a single goal: to make wines with great character. Blending a winemaker's passion for allowing varietals to express themselves in each vintage with the art of gracious hospitality, the Winery celebrates the best of food and wine. Here, they share their enjoyment of wines, their stewardship of the land, their love of family and friends. You are invited to join them in their tasting room, their restaurants, their inn and their lives. Come to see the many ways they've earned their place on the world wine map.

Lot #201

Wine Spectator Wine of the Year 2022 from Winemaker Thomas Rivers Brown

Includes: 6 bottles (750ml)

The Schrader Cellars Double Diamond bottling follows the Bordeaux tradition of a second wine. It started in 2001 when the Schrader family found themselves needing a house wine for entertaining large parties or to pour in other settings where there wouldn't be enough of their small-production cuvées to go around. Most notable, though, is that in the case of Double Diamond, the vineyard source is To Kalon. Located on the western flank of Oakville, To Kalon is arguably Napa Valley's most famous vineyard—the filet mignon of Cabernet Sauvignon production.

2019 Schrader Cellars Cabernet Sauvignon Oakville Double Diamond

"Packs in generous steeped plum, boysenberry and mulberry flavors backed by a broad swath of roasted alder and bittersweet cocoa. Brimming with dense fruit, and is squarely in the not-shy style. The long finish has a serious loamy tug, too. Best from 2023 through 2035." **WS 94**

Lot #202

Magnum of Spanish Rioja

Includes: 1 bottle (1500ml)

2006 Bodegas Muga 'Prado Enea' Gran Reserva

"The 2006 Prado Enea is a phenomenal bottle of traditional Rioja at its best. The grapes are sourced from higher-altitude terraced plots where the climate is cooler and drier and the soils are rich in clay. This is a wine that is not automatically produced every year. The wine spends its elevage in oak containers of different size, origin and age for no less than three years. The nose is intoxicating with a superb mixture of tertiary and more primary aromas like old furniture, cloves, cracked pepper, incense and cigar ash plus cherries in liqueur (that Garnacha!). The palate is medium-bodied, with great freshness, acidity and balance, with a silky texture, ultra-fine tannins and great persistence and length. This wine feels younger than it is, and seems to be aging at a glacial pace. With the stuffing and balance it has, this should make very old bones, and drink greatly throughout its life.

Superb! Drink 2016-2036." **RP 96**

Full-bodied, intense and beautifully concentrated, with plenty of muscle and depth, it shows the hallmark elegance and purity of the estate, with sensational notes of kirsch liqueur, raspberries, incense, smoked meats and Asian spices. Drink 2016-2037." **RP 100**

Calling All Beaujolais Lovers

Includes: 12 bottles (750ml)

2019 Domaine Coudert Clos de la Roilette Fleurie Cuvée Tardive

"The 2019 Fleurie Cuvée Tardive is especially good and stands out as the finest rendition of this cuvée in recent years. Unfurling in the glass with scents of cherries, warm spices, blood orange, dark chocolate and grilled squab, it's medium to full-bodied, velvety and concentrated, with fine depth at the core and a layered, seamless profile, concluding with a sapid finish. It's a powerful wine but more classically proportioned than its riper 2018 and 2015 counterparts, for example.

Drink 2023-2037." **RP 95+**

2009 Chateau Nairac Sauternes Grand Cru

"In this concentrated wine, an opulent botrytis character dominates. Notes of yellow and citrus fruits combine with a lemon-flavored honey accent to produce a wine that has both richness and intense acidity. It needs to age. Drink 2018-2038."

Rhone Beauty

Includes: 3 bottles (750ml)

Domaine Auguste Clape is a wine estate in the Cornas appellation of the northern Rhône. The domaine is named for its eponymous owner, who is considered among the world's most highly regarded producers, particularly for his wines made from Syrah.

2015 Domaine Auguste Clape Cornas

"This has it all, from the dark, dense core of steeped fig, blackberry and black currant fruit to the smoldering charcoal, dark olive and singed bay leaf notes. Violet and white pepper nuances add lift before a prodigious warm cast-iron element provides spine on the finish. A brick house that will live for quite some time. Best from 2025 through 2045. 230 cases imported.

Drink 2025-2045." **WS 98**

Lot #210**One of Italy's Finest****Includes:** 1 bottle (750ml)

Gaja is one of the best-known wine producers in all of Italy. Originating in and still based in Barbaresco, in northwest Italy, the Gaja name remains most strongly associated with Nebbiolo-based wines

1997 Gaja Sperss Langhe-Barolo

"A virtually perfect effort is the 1997 Sperss, which represents the essence of truffles, earth, and black cherries in its striking aromatics and multi-dimensional, opulent, full-bodied palate. The acidity seems low because of the huge glycerin levels and prodigious concentration of fruit, but I suspect it is normal in the scheme of oenological measurement. This profound wine requires 3-4 years of cellaring, and should age well for 30-35 years. A genius for sure, Angelo Gaja can not be faulted for what he puts in the bottle. This work of art is worth every cent it will fetch. Drink 2004-2036." **RP 99**

**Lot #211****Robert Parker Likes this Estate****Includes:** 6 bottles (750ml)**2012 Domaine de la Janesse Cuvee Vieilles Vignes Chateauneuf-du-Pape**

"Up in the top handful of wines in the vintage (which should come as no surprise to anyone who follows this estate), the 2012 Châteauneuf du Pape Vieilles Vignes is a full-bodied, beautifully concentrated, rich and layered Châteauneuf that doesn't put a foot wrong. Made from 85% Grenache, 10% Mourvedre and the rest Syrah, it offers blockbuster notes of blackberry, liquid-violets, spice and serious minerality to go with awesome mid-palate depth and layers of sweet tannin. Like the Cuvee Chaupin, it will be better in another handful of years and thrill through 2027."

RP 96**Lot #212****Delicious Nebbiolo****Includes:** 6 bottles (750ml)

Produttori del Barbaresco is an Italian wine producer of the Nebbiolo grape variety in the Barbaresco appellation. As well as being one of the very finest and best-known producers in Barbaresco, it is also regarded as one of the greatest wine cooperatives in the world.

2016 Produttori del Barbaresco 'Barbaresco DOCG'

"The 2016 Barbaresco is a tight and beautiful wine that will require more time to unwind and soften. This beautifully balanced vintage is characterized by a tight inner core of fruit that underlines the graceful aging capacity of these wines. The 2016 is shaping up to be one destined for long cellar aging. Now in its youth, the wine offers wild berry, rose and licorice aromas. Drink 2018-2040." **RP 95**

2015 Domaine Auguste Clape Cornas Renaissance

"This has a terrific core of raspberry, plum and boysenberry fruit that is vivid and pure, streaked with savory, rosemary, olive and bay leaf notes. A brisk iron accent pierces the finish, adding freshness and drive. Best from 2020 through 2035. 120 cases imported." **WS 94**

Lot #214**Perfect for your Next Dinner Party****Includes:** 4 bottles (750ml)

Giuseppe Quintarelli is an Italian wine estate located in the hills north of Verona in the heart of the Valpolicella appellation. It is regarded by many as the greatest of all Amarone producers, and is known for its traditional deep, complex wines packaged with distinctive handwritten labels.

2007 Guiseppe Quintarelli Valopolicella Classico Superiore

"A lovely, elegant red, with flavors of kirsch, fig cake and dried thyme, featuring a rich underpinning of loamy earth and tarry mineral that slowly expands on the finely meshed palate. Lightly mouthwatering, with creamy tannins and a long, spiced finish. Drink now through 2027. 300 cases imported." **WS 93**

Lot #215**Bigger is Better****Includes:** 1 bottle (1500ml)**2016 Domaine Jean-Louis Chave Hermitage Blanc**

"Chave's 2016 Hermitage Blanc is a tremendous wine. It's a bit closed on the nose (bottle shock?), but it wows on the palate, rocking it with seismic waves of super ripe pineapple and melon fruit and more than a small dose of what I can only describe as magma-like essence of stone. It's full-bodied and mouthfilling in its richness, yet it never seems heavy or overdone. Remember that yields were constrained by hail, so don't delay in procuring whatever your budget will allow. Drink 2018-2040." **RP 98**

2016 Domaine Denis Mortet Gevrey-Chambertin Mes Cinq Terroirs

"Though densely textured, this red offers ripe black currant, black cherry and violet aromas and flavors. The tannins are ripe and the vibrant acidity keeps this defined on the long aftertaste. Best from 2023 through 2038. 196 cases imported." **WS 94**

"Now we're talking! The 2016 Montevervine is a chiseled and sharp expression, with flinty notes of pencil lead and black stone. This is an absolutely divine Sangiovese that is bright and vertical. It is delicate in the mouth, something you'd want to pair with some mild, sautéed mushrooms if anything. It's a beautiful wine with a long and extended aging future. Drink 2022-2045." **RP 96**

Lot #220**This Wine will make you a Beaujolais Lover!****Includes:** 6 bottles (750ml)

Yvon Métras is a well-regarded minimal intervention winemaking pioneer based in Grille-Midi, Fleurie, in the Beaujolais region of eastern France. Métras produces a range of predominantly Gamay-based red wines.

Métras is often aligned with the so-called "Gang of Four" natural or minimal-intervention winemakers Guy Breton, Jean Foillard, Marcel Lapierre and Jean-Paul Thévenet. All, including Métras, adopted the winemaking teachings of consultant Jules Chauvet (and his disciple, the winemaking consultant Jacques Néauport).

2015 Yvon Métras Fleurie Beaujolais

"The 2015 Fleurie from Yvon Métras is extraordinary, unfurling in the glass with a stunning bouquet of ripe cherries, raspberries, smoked meats, tar and potpourri, with complementary notes of dark chocolate emerging with air. On the palate, the wine is rich, full-bodied and layered, with considerable depth and concentration, but equally impressive energy and tang despite its unusually rich, powerful format this year. It's a thrilling Fleurie that handles this atypically warm, dry vintage very well. If stored in perfect conditions, it may well enjoy a long life. Drink 2018-2030."

DIRECT FROM THE CELLAR OF DIANE AND RON NOBLES, THESE THREE BOTTLES ARE THE PERFECT WAY TO CELEBRATE AN ANNIVERSARY, MILESTONE OR BIRTHDAY. HIGHLY RATED AND SURE TO MAKE YOUR CELEBRATION EVEN MORE MEMORABLE. CHEERS!

2006 Billecart-Salmon 'Le Clos Saint Hilaire' Blanc de Noirs Brut

"An incredibly fragrant nose shines with ripe, red-cheeked Mirabelle plum and even has an overtone of Kirsch. The palate is creamy and has a wonderful spine of freshness that only helps to underscore the generosity and roundness. The mousse is superfine, the autolysis is restrained yet profound, there is a textured mid-palate of concentrated red apple fruit with an edge of candle wax and a delicious reverberation of pepper. Exquisite." **FS 97**

2012 Dom Perignon

"A powerful nose opens with grilled nuts, richness, hazelnut praline, and a smoky richness. There is something inherently generous, savoury, bold and rich. It expresses itself in the salty body with its smouldering hints. The bright streak of zesty lemon only serves to accentuate the richness. The finish is wonderfully long, salty, savoury and generous." **FS 96**

2014 Louis Roederer Cristal

"An initially faint but distinct hint of freshly cut green but ripe apple, of lemon. Subtle florality, a mere touch of freesia, hints at more nuance to come. More time in the glass reveals a sense of still briny oyster shell. The palate is like a summer breeze, caressing the palate with finest, creamiest foam - and again that saltiness that is utterly seductive and appetising. There is immense vertical richness in that creamy but svelte texture. Despite the generosity, the creaminess, there is nothing superfluous to obscure the wine's essential and clear-cut luminosity. This is a model of sleekness, understatement and depth, an utterly compelling combination of briskness and emollience. Irresistible now but guaranteed to evolve." **FS 99**

POWERFUL, HIGHLY RATED MODERN REDS FROM THE SMITH CELLAR

INCLUDES: 11 bottles, as noted (750ml)

Cornas is a village and wine region in the northern Rhône valley. It produces only red wine exclusively from the Syrah grape variety. These wines are rich, powerful and dark, long lived, often with supple, ripe tannins.

2011 Domaine Guillaume Gilles Cornas (11 bottles)

"Shows loads of character, with singed bay leaf, smoldering charcoal and Turkish coffee notes leading the way for a massive core of steeped plum, black currant and fig fruit. The long finish ripples with graphite and roasted alder accents while the charcoal element takes on the feeling of a cold fireplace. Brooding, loaded and impressive. Best from 2016 through 2030. 100 cases imported." **WS 95**

2006 Cavallotto Bricco Boschis Vignolo Barolo Riserva DOCG, Italy

"Complex and harmonious, featuring cherry, plum, leather, tobacco and soy flavors that meld with the refined texture and brilliant structure. This is evolving slowly, exhibiting fine grip and a long aftertaste of savory, spicy notes. Best from 2015 through 2035." **WS 94**

CHATEAUNEUF-DU-PAPE FROM TWO GREAT YEARS

INCLUDES: 9 bottles, as noted (750ml)

Château de Beaucastel is a wine producer based in Courthézon, in the northern Châteauneuf-du-Pape region of the southern Rhône. It makes some of the most famous wines in the whole of the Rhône Valley, from a classic southern Rhône blend that includes Grenache, Mourvèdre and Syrah, as well as the lesser-known Counoise and Cinsaut varieties.

The estate reportedly dates back to 1549 when Pierre de Beaucastel bought a barn and a plot of vineyards in the region and inscribed his family's crest onto the walls. The land passed through the family until 1909, when it came under control of scientist Pierre Perrin.

Today, Perrin's grandsons Jean-Pierre and François run the estate.

2010 Château de Beaucastel Chateauneuf-du-Pape (5 bottles)

"The 2010 Beaucastel is a tour de force, brilliantly combining espresso and black olive notes with bright raspberry fruit, while dark earthy notes provide a solid base. The feel on the palate is ample, with tannins that are a bit dusty but not tough or chewy. The long, mouthwatering finish bodes well for the future. Drink now-2030." **WE 96**

2012 Château de Beaucastel Chateauneuf-du-Pape (4 bottles)

"With a hint of candied violet underlaid black forest berries, but also ripe plum and nougat, candied orange zest, intense and at the same time very attractive bouquet. Very full, almost opulent, extract sugar and a pleasant savouriness, powerful tannins that promise a long life, pleasant herbal touch on the long finish, but still shows some baby fat. Here some patience is still required."

2017 Domaine des Lambrays Clos des Lambrays Grand Cru

"Sandalwood and cardamom aromas signal this cherry and black currant-flavored red. It's sleek and underlined by a graphic element that, along with the vibrant structure, drives the dense, powerful finish. Best from 2023 through 2040. 165 cases imported." **WS 95**

THE

William Harlan of Harlan Estate, Bond Estates & Promontory established in 1979), The Napa Valley Reserve is a members-only winery and vineyard project described as "the nation's first wine country club," and as "the world's most elite fantasy camp." 2006 The Napa Valley Reserve Red

"This is a full throttle, fruit packed, plush wine, full of spices, ripe black plums and soil. The mouthfeel is so plush and full bodied that it stays in the mouth for a full minute. If you are a fan of big Napa wines and you are lucky enough to own some of the very rare NVR from the 06 vintage, this is as indulgent and decadent as it gets." **CT 94**

HIGHLY RATED 2013 NAPA CABS FROM THE BARR CELLAR

INCLUDES: 8 bottles, 2 each (750ml)

2013 Purlieu Cabernet Sauvignon (2 bottles)

"The 2013 Cabernet Sauvignon Purlieu was aged in 70% new French oak for 22 months. This just has a Napa appellation, but is very concentrated -- even profoundly so -- and I have to argue that it's even deeper, richer and potentially even finer than the Martinez Vineyard from Pritchard Hill. Very long, impressive and intense, this looks to be a great value in the scheme of Napa Cabernet pricing. It is also no shy wine at 15.5% alcohol. This is a big-time sleeper of the vintage. Drink now-2030." **RP 96**

2013 Entre Nous Cabernet Sauvignon (2 bottles)

A 26-acre vineyard managed by superstar viticulturist David Abreu. Kristine Ashe, a grower for ten years, finally decided to estate bottle her wines in 2007. Wines were first released as Kristine Ashe and then the Entre Nous label was from 2010-2013. The winery closed in 2020 but received high scores for her releases including the 2013, which was their last release. **CT 93**

2013 JCB by Jean-Charles Boisset No. 10 Cabernet Sauvignon (2 bottles)

"Another majestic effort from Boisset is the 2013 Cabernet Sauvignon JCB No. 10. This is 90% Cabernet Sauvignon from Oakville and 10% Petit Verdot. The wine shows terrific floral notes intermixed with blackberry and blueberry fruit, blackcurrants as well, subtle earthiness, a full-bodied, multilayered mouthfeel and a terrific finish of close to 50 seconds. This is a stunner and there are 235 cases of this unfiltered classic. Drink it over the next ten or more years." **RP 95+**

2013 Far Niente Estate Bottled Cabernet Sauvignon (2 bottles)

"Sourced largely from the Martin Stelling Vineyard behind the winery in the western shade of Oakville, this wine opens with charred oak and a smoky, meaty character that intrigues. Seamless on the palate in soft, perceptible tannin, it delves into characteristics of cedar and brushy sage as it goes, unveiling a wildness that's hard to contain." **WE 95**

PERFECT 100 FIRST GROWTH BORDEAUX

INCLUDES: 1 bottle (750ml)

Château Latour is one of Bordeaux's - and the world's - most famous wine producers. It is situated in the southeast corner of the Pauillac commune on the border of Saint-Julien, in the Médoc region. Rated as a First Growth in the 1855 Bordeaux Classification, it has become one of the most sought-after and expensive wine producers on the planet, and produces powerfully structured Cabernet Sauvignon-dominant wines capable of lasting many decades.

2010 Château Latour

"The 2010 Latour is deep garnet in color, and—WOW—it erupts from the glass with powerful crème de cassis, Black Forest cake and blackberry pie scents plus intense sparks of dried roses, cigar boxes, fragrant earth and smoked meats with aniseed and crushed rocks wafts. Full-bodied, concentrated and oh-so-decadent in the mouth, it has a firm, grainy texture and lovely freshness carrying the rich, opulent fruit to an epically long finish. It is incredibly tempting to drink now, but I suspect this hedonic experience isn't a scratch on the mind-blowing, other worldly secrets this time capsule will have to reveal given another 7-10 years in bottle and continuing over the following fifty years++.

Drink 2024-2080." **RP 100**

AMAZING BURGUNDY FROM THE BOWERS CELLAR

INCLUDES: 3 bottles (750ml)

Joseph Drouhin is one of Burgundy's most important wine producers. Founded in Beaune in 1880, the domaine has expanded throughout the 20th Century to include vineyards in Chablis, the Côte de Nuits, the Côte de Beaune and the Côte Chalonnaise, making everything from simple, village-level cuvées to highly priced grand cru and premier cru wines from Pinot Noir and Chardonnay.

The domaine was started by the eponymous Drouhin, who established the company's headquarters in the city of Beaune in the late 19th Century. His son, Maurice, began to acquire vineyards in the early 20th Century, starting with the now-iconic Clos des Mouches vineyard. Throughout the 1950s and 1960s Joseph Drouhin began to expand its land holdings in Chablis and, in 1988, the domaine established a vineyard in Oregon, in the United States.

2009 Joseph Drouhin Grands-Echezeaux Grand Cru

"Shy aromatically, this rich, silky red boasts incisive smoke- and spice-tinged cherry flavors on a harmonious frame. Appealing now, but requires time to reveal its class and depth. Fine length. Best from 2015 through 2032. 27 cases imported." **WS 92**

PARKER PERFECT 100 FIRST GROWTH MAGNUM

INCLUDES: 1 bottle (1500ml)

Château Margaux is one of Bordeaux's most famous wine estates, located just east of Margaux itself in the Médoc. Along with Lafite, Latour and Haut-Brion, it was rated as a first growth in the original 1855 Bordeaux Classification of the Médoc.

Generally, Margaux is considered as the most elegant of the first growths, and is consistently one of the most expensive wines in the world. The Cabernet Sauvignon-dominant blend is complimented with small portions of Merlot, Petit Verdot and Cabernet Franc.

2000 Chateau Margaux

"Absolutely compelling in two tastings of this vintage, the 2000 Margaux is composed of 90% Cabernet Sauvignon and 10% Merlot. The extraordinary seductiveness, complex aromatics, and purity it exhibits lead me to believe it has reached its window of full maturity. Medium-bodied, with layers of concentration, stunning blue, red, and black fruits intermixed with spring flowers, a subtle dosage of new oak, and a distinctive personality that is elegant while at the same time powerful and substantial, this is a multi-dimensional wine that was extremely approachable and drinkable in both tastings I had of it. The color remains a healthy, even opaque bluish/purple, but there is no reason to hesitate to drink it. It should evolve for another 30-40 years, so there is no hurry either. Drink 2020-2060." **RP 100**

"Deep garnet-purple colored, it charges out of the glass with gregarious blackberry preserves, blueberry pie, licorice, raisin cake and tree bark notes plus touches of cracked black pepper and smoked meats. Full-bodied, rich and beautifully textural with firm, velvety tannins, it has loads of spice sparked with black fruit preserves flavors, a lively line and long, plush-coated finish. 710 cases and a few magnums were produced." **RP 97**

2018 Sine Qua Non Aperta

"The nose opens with alluring notions of honeycomb, toasted almonds, orange blossoms, musk melons and poached pears with surfacing scents of lemongrass and preserved ginger. The rich, full-bodied palate is built with exciting tension, delivering a satiny texture and layers upon layers of apple, citrus and melon-inspired flavors with a spicy/savory undercurrent. Minerals and toasted nuts emerge on the long, long, long lingering finish. This is an astonishingly complex dry white, which I anticipate will age gracefully like an epic white Burgundy. During its first 4-6 years in the bottle, I would certainly recommend decanting it for at least an hour prior to serving. Drink 2023-2035." **RP 100**

2014 Kosta Browne Sonoma Coast Pinot Noir

"Offers direct, rich and deep red and dark berry flavors that are spicy, pleasantly tannic and chewy, ending with a pure, rich burst of fruit that tails off into drying tannins." **CT 92**

2015 Horsepower Vineyards "The Tribe Vineyard" Syrah

"Of these three offerings from Horsepower, the 2015 Syrah The Tribe Vineyard will require the most time, as it's the most tight-knit at this early stage, slowly unwinding in the glass with savory aromas of raw cocoa, tapenade, nori and ripe blackberries. On the palate, it's full-bodied, deep and concentrated, with a rich chassis of satiny structuring tannins and a layered, umami-laden core of fruit. At 13.6% alcohol, it's also beautifully balanced. Drink 2022-2040." **RP 98**

2013 No Girls La Placiencia Vineyard Grenache

"This wine is getting up there with some of the top Grenache releases to come out of the New World. Incredibly perfumed, with notes of herbes de Provence, flowers, dried strawberries and assorted red fruits, it's medium to full-bodied, seamless and impeccably balanced. The buzz words here are perfume, complexity and elegance. It's also worth noting that the Grenache vines for this wine come from the famed Rayas lieu-dit in Chateauneuf du Pape." **RP 95**

2014 Schrader Cellars RBS Beckstoffer To Kalon Vineyard Cabernet Sauvignon

"The 2014 Cabernet Sauvignon RBS is made from the same clone (337) as the Georges III, but comes from the To Kalon Vineyard in Oakville and not the Rutherford Georges III. It has fabulous concentration, notes of incense, licorice, blackcurrants, blackberries, as well as spring flowers. The wine is juicy, savory and full-bodied, with wonderful underlying energy and freshness. This wine is a more forward style than we saw with the 2013's, and is best drunk over the next 16-20 years. Drink 2016-2036." **RP 96**

NO ONE WAKES UP WEALTHY.

UNLESS, OF COURSE, THEY WENT TO BED THAT WAY.

That doesn't mean life can't change on a dime, because we've all seen that it can.

We may be waking up in a new world, but one thing hasn't changed:

Wealth rarely happens by accident. You likely get there on purpose. And most don't run; they walk.

Wealth usually takes its time, and so do we. If you want to have a real and unrushed conversation about your future, give us a call.

SPECTACULAR CALIFORNIA CABERNET

INCLUDES: 7 bottles, as noted (750ml)

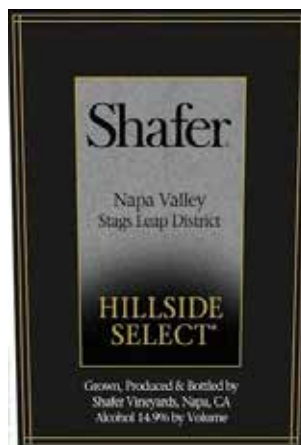

2001 The Napa Valley Reserve Red (4 bottles)

"Having had both this and the 2001 Harlan, this is not the same as the 2001 Harlan. Not quite as good but still excellent. Less oak, more spice. Nose is powerful, slightly sweet smelling. Rich mouthfeel with some similarities to Harlan with the round and sweet fruits and feel of the early mid-palate. Long finish and this wine still has good acidity. Clearly Napa in origin but has some Saint-Estephe flavor similarities, especially on the finish. I think it is the spice flavors they have in common. This wine is balanced and the tannins are well integrated." **CT 95**

1994 Shafer Cabernet Sauvignon Hillside Select (3 bottles)

"A spectacular wine, the 1994 Shafer Cabernet Sauvignon Hillside Select begins a succession of profound Hillside Select cuvées that continues nearly uninterrupted (1996 misses slightly) to the present day. It is a further indication of just how impressive this team's performance has been at this winery. The fully mature 1994, which has another 15-20 years of drinkability ahead of it, exhibits a complex, nearly flamboyant nose of subtle oak, blue, red and black fruits, graphite and licorice. The gorgeous aromas are followed by an opulent, full-bodied, multidimensional mouthfeel that coats the palate. Drink 2014-2034." **RP 96**

OLE VIRGINIA OYSTER ROAST AND LOW COUNTRY BOIL FOR 100 GUESTS BY TWO TIGER CATERING AT "THE SHED" AT THE GILLMANS IN BARHAMSVILLE ON SUNDAY, OCTOBER 15, 2023

Bill Carr and Harrison Bresee, two friends, bonded by mutual interests: high school, love of the outdoors, waterfowl/upland wing shooting, cooking seafood, and genuinely enjoy hosting old and new friends at their events.

Each has particular areas of expertise:

Bill specializes in traditional, ole school Virginia Oyster Roasts with raw, steamed, roasted and New Orleans styled specialty oysters. He prefers to use native/wild oysters from the York or Rappahannock Rivers or the Eastern Shore. The oysters are typically harvested the morning of the event. He eschews propane and only uses seasoned hickory, beech and occasionally apple wood for his custom open fire roaster. After steaming, he "throws" the oysters on his oyster tables.

Harrison specializes in cooking a cornucopia of seafood. He prefers a "field to table" experience for small groups, but his culinary repertoire ranges from fresh crab pickings to seafood gumbo and anything with wild game. If asked to name a specialty, it would be the customized ole school Virginia Eastern Shore Seafood Boil, in which he uses only the freshest seasonal seafood and vegetables. Harrison's well used boiling pot and paddle, which can double as a canoe paddle, are among his trademarks. Over the past 17 years, Bill and Harrison have hosted/catered small and large events ranging from 20 to 300 people. Annual events include the Williamsburg German Club Oyster Roast and Bruton Parish Church Fall Seafood Outing. Other events include SunTrust Bank and Monarch Bank Powder & Pig client events and various wedding receptions, hunt club annual meetings and other events.

Tom Gillman, the current Chair of the Muscarelle Museum of Art Board Foundation, and his wife, Cindy, love to entertain. When they are not busy running their B&B on Richmond Road, they enjoy their "River House" located 30 minutes away in Barhamsville. A couple of years ago they decided they wanted to build a place to host family and friends -so "The Shed" was built in 2023. Complete with a custom wood-fired pizza oven and kitchen plus restrooms and a fabulous water view, it sounds like the perfect place for a throwdown! The space is perfectly equipped for Two Tiger Catering to host us all for a special evening!

Event will feature wine and beer, roasted and raw oysters, a low country boil, Brunswick stew, ham biscuits and wood-fired pizza. Expect some sweets to finish the meal and a cigar bar.

Hosted on Sunday, October 15, 2023, from 3pm to 7pm for 100 guests.

Round trip coach transportation will be provided by Oleta Coach Lines from the parking lot at the Muscarelle Museum of Art.

Bidding begins at \$200 per person. You don't want to miss this fun evening, so raise your paddles!

Donated by: Bill Carr, Harrison Bresee, Tom and Cindy Gillman & Oleta Coach Lines

Bidding will start at \$200 per guest. If you wish to secure your spot raise your paddle and on the other hand how many seats you would like.

COVETED VÉRITÉ WINES FROM THE BRASHEAR CELLAR IN TWO ORIGINAL WOOD CASES

INCLUDES: 6 bottles, 1 each (750ml)
Boxed in 3 bottle sets in OWC

Vérité Winery is a wine producer based in Sonoma County in California. It is most famous for its three Bordeaux-styled blends: La Muse, La Joie, and Le Désir, which have all received 100-point scores from American wine critic Robert Parker over several vintages.

2012 Vérité La Muse

"The 2012 La Muse, which is 85% Merlot, 11% Cabernet Franc and 4% Malbec, is a smaller cuvée of 1,840 cases. The wine has plenty of spice box, cedar wood, Christmas fruitcake and Asian plum sauce, along with black cherry and blackcurrant fruit. Ripe, round, full-bodied and opulent, this is a wine that can be drunk now or cellared for another three decades. Drink 2015-2045." **RP 97**

2012 Vérité La Joie

"The 2012 La Joie, which is a blend of 76% Cabernet, 12% Merlot, 8% Cabernet Franc and 4% Petit Verdot, blew me away. A profound effort, with 55% of it coming from Hillsides in Alexander Valley, 31% from Knights Valley and the balance from Chalk Hill, the wine shows great minerality, oodles of crème de cassis fruit, incense, licorice, crushed rock, and a provocative full-throttle mouthfeel. A wine of great intensity, purity and equilibrium, this definitely begs for 4-7 years of bottle aging and should drink well for at least 30+ years. Drink 2020-2050." **RP 100**

2012 Vérité Le Desir

"The 2012 Le Desir reminds me of a young vintage of Ausone, such as 2005. The wine has amazing minerality and an explosive blueberry nose intermixed with blackberries, new saddle leather, charcoal and camphor. It is full-bodied, with espresso notes emerging on the palate. There are 1,900 cases of this super-endowed, prodigious wine that should drink well for 35-40 years. How fun it would be for mega-millionaires to put this in a blind tasting of a great vintage of Ausone in 10, 20 or 30 years from now. Drink 2015-2055." **RP 100**

2019 Vérité La Muse

"The 2019 La Muse is a blend of 90% Merlot, 5% Cab Franc and 5% Malbec. Deep ruby-purple, it explodes with cassis, violets and aniseed, with wafts of thyme, tobacco and iron, offering new nuances with each return to the glass. The full-bodied palate is powerful and refined, with loads of rounded tannins, focused freshness and ethereal character. It's exceptionally expressive and structured and should be very long lived in the cellar. Drink 2024-2044." **RP 99**

2019 Vérité La Joie

"The 2019 La Joie is an elegant expression that offers power, freshness and expressive, floral character. A blend of 84% Cabernet Sauvignon, 7% Merlot, 5% Cabernet Franc and 4% Petit Verdot, it has a deep ruby color and opens slowly from black cherries and blueberries to accents of violets, ground coffee and licorice. The full-bodied palate has generous, grainy tannins, detailed, perfumed flavors and bright acidity, finishing with an alluring iron character. Drink 2024-2044." **RP 99**

2019 Vérité Le Desir

"The 2019 Le Désir is an exceptional blend of 83% Cabernet Franc, 8% Merlot, 5% Malbec and 4% Cabernet Sauvignon, offering complex, layered flavors, soaring aromatics and very detailed expression. Deep ruby-purple in color, its aromas unfold slowly and offer new nuances with each return to the glass: Morello cherries, warm chocolate, dried thyme, desiccated roses and dried herbs. The full-bodied palate offers concentrated, floral fruits, pixelated tannins, bursts of fresh acidity and a very long finish with layer after layer of detailed flavor. Drink 2024-2044." **RP 100**

EXTRAORDINARY BURGUNDY FROM THE BOWER'S CELLAR

INCLUDES: 3 bottles (750ml)

Clos de Tart is a highly esteemed domaine based on a single grand cru monopole vineyard in the commune of Morey-Saint-Denis, in the Côte de Nuits subregion of Burgundy's Côte d'Or. The estate produces two wines, both from Pinot Noir.

2006 Domaine du Clos de Tart 'Clos de Tart' Grand Cru Monopole

"Tasted at the pre-dinner vertical to mark Sylvain Pitiot's retirement from the domaine, the 2006 Clos de Tart Grand Cru has a deep, intense nose with plenty of dark berry fruit (blackberry and boysenberry), mixed with cedar and licorice scents. Saturnine at first, it responds to aeration, opening up with minimal encouragement and gaining more and more intensity. The palate is what you might call a bold and brassy style of Clos de Tart - upfront fruit, muscular, forthright tannin and enormous depth on the finish that fans out gloriously. Think of a blast of trumpets in the Albert Hall and you've got this wine. Immense! Drink 2017-2040." **RP 96**

2012 BOND TERROIR PORTFOLIO IN OWC FROM THE GILLMAN CELLAR

INCLUDES: 5 bottles, 1 each (750ml)

The project was conceived by Bill Harlan and Bob Levy of Harlan Estate - a winery that quickly became one of California's cult producers, along with the likes of Screaming Eagle. Harlan Estate sources its fruit from its own vineyards, but Harlan and Levy were interested in cultivating fruit from specific terroirs around the Napa Valley. The result was BOND (initially known as Bond Estates), which began making wine in 1997. The first commercial release came two years later.

There are five Cabernet Sauvignon wines under the main BOND banner. The fruit is sourced from sites the Harlan family have identified as being comparable to Grand Cru sites in France. These are small plots of between seven and 11 acres located around the Napa Valley.

The wines are labeled with proprietary names. The first releases in the lineup were the Melbury and Vecina wines in 1999, the St Eden followed in 2001, the Pluribus in 2003, and finally the Quella in 2006.

BOND has since received its own considerable critical recognition. Multiple wines have been rated 100 points by Robert Parker's Wine Advocate.

2012 BOND Vecina

"From an 11-acre vineyard sitting near Bond's winery and the Harlan estate, the 2012 Vecina Proprietary Red is the perfect Napa version of a hypothetical blend of a La Mission Haut-Brion and Mouton-Rothschild. This is riveting Cabernet Sauvignon with great intensity, a killer fragrance of burning embers, charcoal, gravel, blackberry, cassis and earth. Fabulously intense and full-bodied, with majestic flavor intensity, a skyscraper-like mouthfeel, incredible purity and length, and supple tannins, this magnificent wine comes closest to the great Harlan Estate itself. Drink it over the next 35 years. Drink 2015-2050." **RP 100**

2012 BOND Melbury

"The wine displays beautiful blackberry fruit, some charcoal, loamy soil undertones, forest notes, lots of spice, a full-bodied, multi-dimensional mouthfeel, and a super finish of 45+ seconds. Even in a vintage like 2012, this wine ideally needs 3-5 years of bottle age and should keep for 30+ years. Drink 2018-2048." **RP 95**

2012 BOND Quella

"The 2012 Quella has an opaque purple color, a gorgeous nose of white flowers, sweet blackberry and cassis fruit, and a touch of vanilla and graphite. Full-bodied, like its siblings, with great fruit extract, terrific purity and richness, and high but velvety tannins, this wine should also benefit from another 3-5 years of cellaring and keep for 30+ years. Drink 2018-2048." **RP 98**

2012 BOND St. Eden

"The 2012 St. Eden shows gorgeous, cedary Christmas fruitcake notes, black cherry and blackcurrant fruit, spice box, earth, and almost first growth Pauillac-like cassis and lead pencil shavings. Deep, full-bodied, and fabulously concentrated, this stunner flirts with perfection. Slightly more evolved than the Quella or Melbury, this wine may be the most drinkable out of the gate of all the Bond offerings in 2012. It should continue to evolve for at least 30+ years. Drink 2015-2045." **RP 98**

2012 BOND Pluribus

"The 2012 Pluribus Proprietary Red Wine exhibits the white flowers (acacia?), blueberry and black raspberry fruit that comes from this high elevation site. It is full-bodied but very tannic, backward, coiled and relatively tight, behaving in that sense more like a 2013 than a 2012. This wine is set for a long life of 30+ years. Drink 2019-2049." **RP 95+**

Frank will delve deep in his cellar and select six wonderful wines that will be sure to make your dinner party grand! All you have to do is provide the food or hire a caterer.

Selection will include:

- A glorious French white (maybe Burgundy, maybe Loire, maybe Northern Rhone)
- A Premier Cru or Grand Cru red burgundy from a stellar year ('93, '99, or '05)
- A Grand Cru Classe Bordeaux (of similar or greater age)
- An antique Barolo or Rioja (likely from the '70s or '80s)
- A New World treasure (Monte Bello, Grange, or something of that ilk)
- A grand and esoteric stickie

HIGHLY RATED BAROLO FROM THE SMITH CELLAR

INCLUDES: 12 bottles, 6 each

2015 BROVIA ROCHE DI CASTIGLIONE BAROLO DOCG

"Rose petal, fragrant blue flower, wild berry, baking spice, menthol and new leather are just some of the aromas you'll find on this gorgeous, fragrant red. Smooth, enveloping and loaded with finesse, the focused palate delivers pomegranate, red cherry, licorice and chopped mint alongside taut, lithe tannins and bright acidity. It's still youthfully tight but already shows depth and pedigree and will develop even more complexity with aging. Drink 2023-2035." **WE 97**

2010 BREZZA SARMASSA BAROLO DOCG

"From one of the best sites in Barolo, this intense wine opens with a multi-dimensional fragrance of crushed flower, new leather, earth, incense, spice and black cherry. The vibrant, spicy palate delivers red berry accented with notes of black pepper, cinnamon spice, licorice and clove. Bold but noble tannins and brisk acidity promise fantastic aging potential. Drink 2020-2050." **WE 97**

2015 Domaine Auguste Clape Cotes du Rhone (1 bottle)

DECADENT AFTER DINNER DELIGHT

INCLUDES: 3 bottles, as noted (2-750ml) and one Magnum (1500ml)

1990 Chateau d'Yquem (2 bottles)

"Medium to deep golden colored, the 1990 d'Yquem opens with unabashed opulence, giving expressive notes of dried apricots, toffee, candied walnut, tree bark and sandalwood with nuances of preserved mandarin peel, lemongrass and fallen leaves. The palate is entering that stage where it still has bags of fruit and yet appears quite dry, with a lively line contributing jaw-dropping tension and finishing with epically long-lingering honey nut and earth-inspired notes. Pure. Hedonism. The multilayered intensity perhaps makes this appear a much bigger, sweeter Yquem than it is, and yet it possesses a relatively modest 12.7% alcohol. Well into its ideal drinking window, there is no real rush to drink this beauty, as it should remain suspended at the heavenly plateau for another 25+ years. Drink 2019-2044." **RP 98**

1996 Chateau d'Yquem Sauternes (1 Magnum bottle)

"Light gold with a tight but promising nose of roasted hazelnuts intermixed with creme brulee, vanilla beans, honey, orange marmalade, and peaches, this medium to full-bodied offering reveals loads of power in its restrained, measured personality. There is admirable acidity, weight, texture, and purity in this impeccably made Yquem. However, patience will be a virtue. Anticipated maturity: 2012-2060." **RP 95**

VOSNE-ROMANEE SAMPLER

INCLUDES: 3 bottles, 1 each (750ml)

2005 Alain Hudelot-Noellat Les Beaumonts Vosne-Romanee 1er Cru

"Freshness and finesse are the highlights of this red, along with violet, red currant, raspberry and mineral notes. Firm and tense, like a coiled spring, with a lingering aftertaste of wild berry. Best from 2014 through 2026. 25 cases imported." **WS 92**

2005 Alain Hudelot-Noellat Les Murgers Vosne-Romanee 1er Cru

"Rich, full and powerful, with black cherry, mineral and earth notes allied to a vibrant structure. It's sweet at the center, then the tannins take over. But the lasting impression is balance. Best from 2014 through 2028. 25 cases imported." **WS 91**

2008 Domaine Georges Mugneret-Gibourg Vosne-Romanee

"This is terrific and everything you can ask for in a village level burgundy. Purity, harmony, classic spice. Excellent length, it really fills the mouth. Finishes nicely and begs one to want another sip. No flash, just substance. At the top of its game." **CT 91**
