PRESENTED BY

AUCTION CATALOG | SATURDAY, MAY 2, 2026

Welcome to the Muscarelle Museum of Art Foundation's 15th annual *Wine & Run for the Roses!* We're thrilled to be celebrating this milestone anniversary and looking forward to a day of exciting bidding, delicious fare and wonderful friends – all culminating with the running of the 152nd Kentucky Derby. We're grateful to each of you for being here to celebrate with us and support the cultural mission of the Muscarelle.

Our new home in the Martha Wren Briggs Center for the Visual Arts continues to shine. In our first year, we welcomed more than 60,000 visitors to a wide-ranging slate of exhibitions including the monumental *Michelangelo: The Genesis of the Sistine*.

This spring, we hosted the landmark traveling exhibition, *Abstract Expressionists: The Women*, lauded by the *Wall Street Journal* as "an engaging, expansive exhibition" that made significant strides in recognizing the often-overlooked female artists of Abstract Expressionism.

As America embarks on a celebration of 250 years of independence this summer, our exhibitions will center on the strength and resilience of our nation and its founding ideals. *America's Tapestry* will display embroidered panels from each of the original 13 colonies, collaboratively stitched by volunteers in each state and recounting lesser-known stories of independence. *Forever Marked by the Day: A Quarter Century of Mourning and Renewal* will commemorate the 25th anniversary of September 11 with a thoughtful examination of the architectural transformations that occurred through the decades at the World Trade Center site. We hope you'll join us throughout the summer and bring your family and friends to experience these important exhibitions.

Today's event would not be possible without the hard work and generosity of many. My heartfelt thanks goes to our Board of Trustees and others in attendance today for your donations and sponsorships. The Wine & Run for the Roses Committee has worked tirelessly to make this event a success and deserves our deepest gratitude. Every year, our community comes together for an unforgettable day that has a deep impact on the museum all year long – and we're very grateful to have you with us.

Have a wonderful day,

**WE ARE EXCITED TO HAVE
BARTHOLOMEW BROADBENT WITH
BROADBENT SELECTIONS AS OUR
HONORED WINE PROFESSIONAL**

BARTHOLOMEW BROADBENT
Winemaker / Owner

Decanter magazine named Bartholomew Broadbent one of the “fifty most influential in the wine world...the faces to watch in the new millennium” and *Wine & Spirits* magazine, after polling leaders throughout the industry, named him one of ten in the world to be “driving the most revolutionary changes in wine”. Today, he has "expanded from his pivotal role in the breathtaking growth of Port and Madeira to exert a profound influence on the US wine market” says *Decanter*. Bartholomew is one of America’s leading wine importers. His company, Broadbent Selections, Inc. (www.broadbent.com), represents such famous brands

as Chateau Musar, Tyrrell’s and Spy Valley and is generally recognized to import many of the greatest wines produced in South Africa. His speaking circuit includes major cruise lines and wine festivals, including having been the Reserve Tasting Director at the *Food & Wine’s* Classic in Aspen for 25 years. He produces Port, Madeira and Vinho Verde in Portugal under the Broadbent name, as well as an eponymous Gruner Veltliner in Austria. He was 50% partner in Dragon’s Hollow, a pioneering winery in China. Bartholomew is the son of Michael Broadbent MW, world renowned wine author and auctioneer.

We are thrilled to have Bartholomew here for our events in 2026. He supported us in 2021 when we had to host our event in June and watch the Preakness instead due to Covid. His knowledge and comments from the podium helped us raise a lot of money for our wine lots. We are grateful to have him back and appreciate his continued support!

DURING THE VIRGINIA WINE RECEPTION YOU WILL ENJOY WINES FROM THESE VIRGINIA WINERIES:

GAUTHIER VINEYARD | BARHAMSVILLE, VA

THIBAUT-JANISSON | AFTON, VA

VERITAS VINEYARDS & WINERY | AFTON, VA

Barboursville is a magnificent and historic estate located between Monticello and Montpelier. It is home to Virginia's most honored winery, founded in 1976 by the Zonin Family, who have been prominent in Italian viticulture since 1821.

Defying the unanimous advice of many people to plant tobacco at Barboursville, Gianni Zonin – heir to a family wine enterprise in the Veneto – acquired Barboursville plantation with the seemingly ridiculous expectation of creating a vineyard. Jefferson had attempted this, persisting into the 19th Century at Monticello, always failing to achieve a single harvest. He would be pleased that wine is being produced at his neighboring plantation, home to a dear friend and for whom he designed the historic mansion.

Because of Gianni Zonin and Luca Pachina, the resident winemaker since 1990, Barboursville has been drawn totally into the wine world's embrace, and inspired hundreds to follow their example. Celebrating the winery's 40th anniversary in 2016, they continue to set the standard for Virginia now populated with more than 300 wineries. Barboursville produces Octagon, the most renowned red wine of Virginia.

Chatham Vineyards on Church Creek

The land at Chatham, which overlooks Church Creek, was patented in 1640. The Federal-period brick house, Chatham, was built in 1818. The historic outbuildings, barns and two early 1900s homes on the property have been renovated in recent years. Chatham Farm has been a working farm for four centuries.

Since 1999 more than 20 acres of high-density (1,740 vines per acre) French vinifera varieties have been planted. They are Merlot, Chardonnay and California Cabernet Franc rootstock, Cabernet Sauvignon and Petit Verdot. The vineyards are cane pruned during the winter months to balance the vines and limit yields to less than four tons per acre thereby concentrating wine flavors. The grapes are handpicked and sorted before pressing to ensure the highest quality of the juice. Grapes not vinified at the winery are sold to other wineries in Virginia.

The winery was constructed in 2005 and currently has a production capacity of 3,000 to 5,000 cases annually. Temperature in the winery is maintained at 50 degrees year round. A retail tasting room is located in the winery.

Gauthier Vineyard is a woman owned, veteran owned winery established by Sandi and Mo Gauthier, located in Barhamsville, Virginia. The farm winery was established in 2014, and in addition to the tasting room there is an event center which sits atop two caves, a five bedroom Inn and a state-of-the-art equestrian center.

Gauthier Vineyard is dedicated to providing quality wines in a relaxed and polished atmosphere. Matthew's wines are a reflection of his passion for balanced wine with multiple layers and finesse. Old World inspired wines with a new world address. When visiting Gauthier, you will enjoy a scenic view from the wrap around porch overlooking the vineyard and pond with a beautiful fountain. On the weekends, the wood-fired pizza oven is fired up and provides boutique pizzas and flatbreads. In addition to Pizzas, on every other Sunday you can enjoy Big Island Aquaculture oysters.

We welcome you to come and experience the charm and tranquility of Gauthier and sip some lovely wines, just 20 minutes from downtown Williamsburg.

Thibaut-Janisson was born from a long friendship that began in a Grand Cru village in the Champagne region of France. Thibaut and his friend Manuel Janisson, both from champagne-producing families in the town, started in the family businesses at a young age. When Thibaut came to work in California in 1983, he had already spent a few years working in Australia. Thibaut arranged for Janisson to come work with him in California and the two young men began talking of one day producing a sparkling wine together. About 25 years later, they agreed that Virginia would be the place to do it.

Thibaut came to Charlottesville in 2003 to consult at Kluge Estate Winery. In 2005 after seeing the potential for Virginia sparkling wine, Thibaut and Janisson began their joint venture and in 2007 they had the first release of their nonvintage Blanc de Chardonnay. Virginia Fizz, a sparkling wine, followed in Spring 2011.

Both wines are produced at Veritas Winery in Afton, Virginia, west of Charlottesville.

In 1999 Andrew and Patricia Hobson bought Saddleback Farm near Afton, which at the time was a simple horse and cattle farm. Patricia saw the potential in the land and planted several acres of grapes with a wish and prayer. By 2001 they had their first vintage ready for production. That year Andrew tried his hand at winemaking with great success and their love for the Virginia wine industry blossomed.

Since then the Hobsons have worked tirelessly to expand on their vision. The business is truly a family affair as they have been joined by all three of their children in the running and development of the business. Their philosophy is to make wine with the classic, old-world principles of viticulture and vinication, at the same time using state of the art technology to capture varietal and regional character. Their name derives from the Roman historian Pliny the Elder's observation "In Vino Veritas" - "In Wine there is Truth." They believe that the truth in their wine comes straight from their vineyard as an expression of the land where they live and work.

A VIRGINIA NORTON WINE WAS EVEN NAMED "BEST RED WINE OF ALL NATIONS" AT THE VIENNA WORLD'S FAIR IN 1873, AND WAS AWARDED A GOLD MEDAL AT THE PARIS WORLD'S FAIR OF 1889 – THE YEAR THE EIFFEL TOWER WAS CONSTRUCTED.

Virginians have made wine for more than four centuries. The Jamestown settlers had hoped that Virginia would become a major source of wine for the British Empire. They signed a law that required each male settler to plant and tend at least 10 grape vines. Little came of this because every effort to grow vinifera, or vines of European origin, met with failure from an unknown pest, Phylloxera, as well as disease due to the new environment. The booming tobacco trade soon diluted British interest in the possibilities of American wine, and the American settlers themselves lost interest. While fine wine could be had only from European suppliers, whiskey, beer and brandy were plentiful.

In hopes of one day realizing the promise of fine Virginia wines, Thomas Jefferson cultivated European grapes for more than 30 years. His Monticello vineyards, however, never produced a single bottle of wine. He wasn't alone in trying. After 11 years of efforts at Mount Vernon, George Washington, too, had nothing to show for his work. In the 1820s, wines made from Native American grapes met with great success. Also, the late 1800s discovery that native and European vines could be grafted gave Virginia's nascent wine industry a lift. In the early 20th century,

Prohibition promptly brought wine production to a standstill. The industry was slow to bounce back. Some 17 years after Prohibition's repeal, Virginia still had only 15 acres of commercial wine grapes.

In the late-1950s experimental planting of vinifera showed promise. With the establishment of six new wineries in the 1970s, the recovery was officially underway. A renewed effort to grow an European Chardonnay succeeded at the Waverly Estate in Middleburg in 1973. Then in 1976, Italian pioneer vintner Gianni Zonin hired Gabriele Rausse to grow and harvest vinifera grapes near Charlottesville.

He established Barbooursville Vineyards and helped other vinters do the same. By 1995 Virginia had 46 wineries, by 2005, 107. At over 300 wineries and counting, today only California, New York, Oregon and Washington have more wineries than Virginia. The persistence of generations of winemakers is paying off, and the vision of one of Virginia's most renowned native sons, Thomas Jefferson, is now coming true.

**The Magic of Pouring
Wine Without Removing
the Cork**

Includes: The Coravin® Timeless™ Three+ Wine by-the-Glass System

The Coravin® Timeless™ Three+ wine by-the-glass system pairs premium design with a wide range of accessories, giving you the freedom to pour wine without pulling the cork. With a high-gloss finish, metallic accents and a full set of accessories, including the Coravin Aerator, Screw Caps, and Carry Case - it's made for wine lovers who will savor the flexibility to explore and enjoy wine by-the-glass on their own terms. The Coravin Timeless uses a precision engineered needle to gently pass through natural cork, allowing wine to be poured while replacing the liquid with 100% pure argon gas, an inert food-safe gas already used in the winemaking process. Once the needle is removed, the cork naturally reseals, keeping the remaining wine completely unaffected, even years later.

Designed for use with natural cork, Timeless is also compatible with screw cap bottles when used with the Coravin Screw Cap accessory.

The Coravin Aerator offers the equivalent of up to 90 minutes decanting, enhancing the wine's aromas and flavors instantly.

"Do you have a favorite pair of jeans or a favorite dress that you keep in your closet for all occasions? That's the equivalent of this wine. The G.D. Vajra 2021 Barolo Albe is an enormously versatile expression of Nebbiolo, with an affordable price, that offers more value for your money than most Barolos out there. The bouquet focuses on dark berry, pressed flower and crushed stone. It offers good sharpness over broad lines. The mouthfeel is medium-plus in texture and it closes with silky, accessible tannins. Fruit comes from three cru sites: Coste di Vergne, Fossati and La Volta." Drink 2025 to 2040.

Lot 208

From the Perrin Family

Includes: 11 bottles (750ml)

2021 Chateau de Beaucastel Cotes du Rhone Coudoulet de Beaucastel RP 92

"A terrific vintage for this wine, the 2021 Cotes du Rhone Coudoulet de Beaucastel is a blend of 30% each Grenache, Mourvèdre and Syrah, plus 10% Cinsault. From a vineyard just outside the boundaries of the appellation of Châteauneuf-du-Pape, it's a remarkably consistent wine and always a solid value. Scents of sunbaked stones, black cherries and licorice appear on the nose, joined by hints of purple raspberries and dark chocolate, while the medium to full-bodied palate is lush and velvety, finishing long and complex." Drink 2023 to 2035.

Lot 209

Reason to Celebrate Every Day

Includes: 6 bottles (750ml)

NV Laurent Perrier La Cuvée Brut FS 91

"La Cuvée is L-P's Brut NV, and changed over the years to be chardonnay dominant. Laurent Perrier has been around since 1812, and has been a pioneer in the stainless steel fermentation process in the region. Tight and brisk with lemon peel, crunchy green apple, and oyster shell on a sleek, stainless palate with just enough reserves to buffer but still keep this fresh. It's been great to watch the evolution of La Cuvée, and all for the better."

Lot 210

Delicious Napa Chardonnay from Robbie Meyer

Includes: 6 bottles (750ml)

2023 Peirson Meyer Chardonnay Russian River Valley WS 93

"The 2023 reflects a classic, cool-climate vintage—balanced, vibrant, and deeply expressive. Aromas of white peach, golden apple, and lemon curd unfold alongside hints of jasmine, toasted hazelnut, and wet stone. The palate is silky and layered, offering ripe orchard fruit framed by fresh acidity and subtle spice from its time on lees. The finish is long and lifted, weaving richness with precision in true Russian River style."

Extraordinary Wine From Beaujolais

Includes: 6 bottles (750ml)

2015 Y'Von Metras Fleurie RP 96

"The 2015 Fleurie from Yvon Métras is extraordinary, unfurling in the glass with a stunning bouquet of ripe cherries, raspberries, smoked meats, tar and potpourri, with complementary notes of dark chocolate emerging with air. On the palate, the wine is rich, full-bodied and layered, with considerable depth and concentration, but equally impressive energy and tang despite its unusually rich, powerful format this year. It's a thrilling Fleurie that handles this atypically warm, dry vintage very well. If stored in perfect conditions, it may well enjoy a long life." Drink 2018 to 2030.

AUCTIONEER

SAMANTHA COMPONO HARRIGAN

Samantha Compono Harrigan brings a rare combination of auctioneering expertise, strategic marketing leadership, and a genuine passion for the energy of the live event – shaped over more than two decades at the highest levels of the fine and rare wine world.

The Muscarelle Museum of Art holds a special place for her, and this evening marks a warmly anticipated return to a stage she first took in 2016.

Over the course of her career, Samantha has orchestrated and auctioneered **more than 350 multi-million-dollar wine auctions, events, and tastings across three continents** – from New York and Chicago to Hong Kong, Singapore, and Europe. As a long-tenured executive and Chief Marketing Officer of Acker, the world's largest fine and rare wine auction house, she brings to the podium both the instincts of a seasoned auctioneer and the strategic perspective of an executive who has built and scaled some of the industry's most successful programs.

Among her most notable career milestones was her role in the 2012 Tsar's Treasure auction, which set a world record for the oldest and most expensive bottle of Champagne ever sold at auction – recovered from a shipwreck in the Baltic Sea.

A graduate of Bucknell University and a recipient of WSET certifications with Distinction and Merit, Samantha pairs deep subject-matter expertise with strategic rigor. She founded Vintage Consulting in 2006, curating and managing private collections for discerning collectors nationwide, and in 2026 established The Kestrel Agency, a strategic marketing and branding consultancy driving meaningful growth in businesses ranging from technology to medicine.

She is regularly engaged by collectors, institutions, and nonprofit organizations to design auction strategies that elevate both the guest experience and the funds ultimately raised – ensuring that generosity in the room translates into meaningful impact.

In her home community, she brings that same discipline and energy to benefit events, serving as charity auctioneer and growth advisor for the Suzuki Schools of Music. She passionately supports The Tiny Miracles Foundation and is a Sugar Angel for Icing Smiles.

Samantha lives in Connecticut with her husband and four spirited boys, all under twelve. When she isn't behind a podium or deep in a cellar, you'll find her on the sidelines of a baseball, soccer, or football field – reliably the loudest voice in attendance, and proud to report she has never once been red-carded.

This Cote de Nuits-Villages wine (Pinot Noir) has received good scores from various critics.

2018 Didier Fornerol Cote de Nuits Villages RP 89+

"Richer and chunkier, the 2018 Côte de Nuits-Villages delivers notes of raspberries, plums, sweet spices and petals, followed by a medium to full-bodied, concentrated and youthfully chewy palate. This will be very good, but it will demand a little patience. Since Fornerol is in no hurry to sell his wines young, that won't be a problem." Drink 2025 to 2045.

Quality From The Ground Up

CALLING ALL RHÔNE LOVERS!

INCLUDES: 24 bottles, as noted (750ml)

Often divided between its northern and southern climes, the Rhône Valley is associated with both the purity of Syrah in the cooler northern appellations of Côte Rôtie and Hermitage. In warmer, more southerly, latitudes Syrah is a blending component (often with Grenache and Mourvèdre) in Châteauneuf-du-Pape and the Côtes du Rhône.

Northern Rhône

The Northern Rhône produces Syrah unlike other regions in terms of style.

2019 Paul Jaboulet Aine Hermitage La Chapelle (6 bottles) **RP 98+**

Drink 2025 to 2045.

Southern Rhône

The Southern Rhône is known for its Grenache grapes, stony soils, and Mediterranean climate.

LET'S CELEBRATE WITH CHAMPAGNE

INCLUDES: 5 bottles (4-750ml and 1-1500ml)

As long-time supporters of the Muscarelle Museum and W&RFTR, we are delighted to again have some highly rated, hand selected champagne from Ron & Diane's cellar. These special bottles are perfect for celebrating a special occasion or anniversary. Thanks to both of you for digging deep in your collection and sharing them with us. Cheers!

2002 Krug Vintage Brut RP 97+

"Krug's 2002 Brut has an intense citrus color and opens with a generous, intense yet fine and precise bouquet that indicates great depth and elegance. Red fruit flavors on the nose lead to a generously rich yet pure, highly refined and elegant palate, with lots of ripe cherry fruits and delicious yeasty flavors. This is a highly complex and tensioned but beautifully balanced 2002 with a charming dosage that gives perfect roundness. The finish, however, is clear, fresh and well-structured, if not taut, and very mineral." Drink 2018 to 2030.

2004 Taittinger Comtes de Champagne Blanc de Blanc RP 96

"The 2002 Comtes de Champagne is easily one of the very best young Champagnes I have ever tasted. Bright hints of lemon oil, white flowers and crushed rocks are layered into the pointed, vibrant finish." Anticipated maturity: 2014-2034.

2008 Piper Heidsieck Cuvee Rare WE 96

"The new release of this producer's prestige cuvée comes in its usual beautifully sculpted bottle. The Champagne, from a great vintage in the region, is just approaching maturity still showing minerality from the high amount of Chardonnay in the blend. Nutty flavors are creeping in, keeping the great texture adding complexity." Drink 2025 to 2055.

2009 Philipponnat Clos de Goisses, Extra Brut Monopole RP 97

"This wine stands out as one of the most successful releases in recent memory. It opens with a deep bouquet of ripe pear, peach and early-blooming white flowers, mingling with nuances of red berry fruit. On the palate, it is full-bodied, profound and textural, supported by a racy spine of acidity and culminating in a long, sapid finish." Drink 2023 to 2045.

2012 Louis Roederer Cristal (Magnum) RP 97+

"Aromas of clear honey, crisp green orchard fruit, white peach, pastry cream and dried white flowers introduce the 2012 Cristal, a full-bodied, concentrated and powerful wine that's built for the cellar." Drink 2022 to 2050.

For millennia, beauty seems to have come naturally to Italians.

And, as it is in their artists and sculptors, their architecture, their opera, their poets and playwrights, so too it is true in their wines.

From the dizzying wine Nebbiolo of Piedmont, to the sensuous Sangiovese of Tuscany, the power-laden Sagrantino of Umbria, and the elegant Nerello Mascalese of Sicily, beauty abounds in Italian wines. As does delight.

Indeed, to a wine lover names like Giacomo Conterno, Angelo Gaja, Bartolo Mascarello, Giuseppe Rinaldi, Paolo Bea, and Emidio Pepe are almost as sacred and storied as those above.

Because you could drink their wines for a lifetime and never exhaust their pleasure.

For these are wines of genius, the genius of nature and the secondary genius of man working together in utter harmony.

Here are a few of their brethren, all in magnum, for you to enjoy with friends. You will remember them always.

PERFECT 100 FIRST GROWTH BORDEAUX

INCLUDES: 1 bottle each, 3 bottles total (750ml)

2010 Chateau Margaux RP 98, JCL 99, JL 100

"Absolutely exquisite aromatics, with the Margaux perfume already soaring from the glass. Kirsch and a touch of herby charter, background notes of Sandalwood and floral aspects. Fantastic palate, the silky texture of the tannins and the fruit, the beautiful natural concentration without any effort. The fruit is wonderful, with an iron fist in a velvet glove. Talcum soft tannins, beautiful balance and purity into a long, perfectly focused finish. Not a single touch of tannin dryness. Only 13.5% alcohol too."

Drink 2023-2060.

2016 Chateau Margaux RP 99, WI 100, TWP 100

"Deep garnet-purple colored, the 2016 Château Margaux sashays out of the glass with glamorous red currants, candied violets, kirsch and crushed blackcurrants scents followed by notions of tilled black soil, forest floor, cast iron pan and cigar box with subtle wafts of lavender and oolong tea. Medium-bodied, mineral laced accents hover over the palate with an ethereal sensation of weightlessness, yet it is super intense with layers of red and black flavors supported by a firm texture of silt-fine tannins, finishing wonderfully fragrant and incredibly long." Drink 2024 to 2063.

2019 Chateau Margaux RP 100, JL 100

"Is the 2019 Château Margaux the wine of the vintage? A strong case in its favor could certainly be made. Soaring from the glass with aromas of blackberries, raspberries, rose petals, violets, pencil shavings and vine smoke, it's full-bodied, layered and sensual, with a strikingly vibrant core of fruit that's framed by ripe, powdery tannins and bright acids, concluding with a penetrating, mouthwateringly saline finish of almost interminable duration. Complex, elegant and utterly compelling, this is a brilliant Bordeaux that anyone with the requisite disposable income is going to want to own." Drink 2029 to 2069.

LOT 11 SUPER CULT FROM CA - "TERROIR COLLECTION" FROM THE GILLMAN CELLAR

INCLUDES: 5 bottles in Original Wood Case (OWC), 750 ml

Long time supporters, Tom & Cindy Gillman really went above and beyond this year when they selected these wines from their cellar. We are grateful for their continued support!

"A 2013 Bond Estates "Terroir Collection" 5-bottle assortment (OWC), featuring Melbury, St. Eden, Pluribus, Quella, and Vecina, typically sells for \$4,000 to over \$5,000+ in the USA, depending on the merchant and provenance. The 2013 vintage is highly regarded."

2013 Bond Quella FS 97, RP 96+

"Much more structured, muscular, tannic and intense is the 2013 Quella, which exhibits blackberry notes, licorice, some truffle, graphite and damp earth, huge fruit, a muscular, full-bodied mouthfeel, and a long, moderately tannic finish. Forget it for a few years and drink it over the following 25-30+ years."

2013 Bond Melbury RP 97

"The brilliant 2013 Melbury ratchets up the level of extract, with an opaque purple color, dense blueberry liqueur-like notes along with white flowers, licorice, and camphor followed by a full-bodied, incredibly seamless, concentrated, multidimensional wine. With its amazing depth and richness, while accessible now, it probably won't hit its stride for another 5-7 years and last 30-35."

2013 Bond St. Eden JCL 96, RP 99

"The 2013 St. Eden is absolutely mind-blowing, with notes of blackcurrant liqueur and licorice as well as hints of Asian soy and lead pencil. Wonderful fruit that hits the palate with a cascade of glycerin, silky but noticeable tannins, and a big, earthy, rich, full-throttle, majestic finish of close to a minute add to this wine's compelling personality. It should drink well for at least 30-40 years."

2013 Bond Vecina FS 100, RP 100

"The perfect 2013 Vecina offers up notes of pen ink, scorched earth, espresso, blackcurrant liqueur and blackberries. It is a fabulously great wine, with supple, well-integrated tannin, decent acidity, and a skyscraper-like mouthfeel, with extraordinary purity and richness. This is an amazing wine to drink over the next 50 years."

2013 Bond Pluribus FS 98, RP 100

"The 2013 Pluribus is the finest wine I've tasted from this vineyard to date, capturing the vintage's extraordinary purity and richness, with a multidimensional mouthfeel and incredible notes of blue and black fruits, charcoal, graphite and white flowers. This profound effort should hit its prime in another 5-10 years and evolve for 30-40 or more."

OLE VIRGINIA OYSTER ROAST AND LOW COUNTRY BOIL FOR 200 GUESTS AT "THE SHED" AT THE GILLMAN'S IN BARHAMSVILLE ON SUNDAY, OCTOBER 25, 2026

Since 2019, the MMA has been very fortunate to have Bill Carr and Harrison Bresee, two close friends bonded by mutual interests: love of the outdoors, cooking seafood, and hosting old and new friends, provide the majority of the food offered at our event. This year Harrison will prepare the Low Country Boil and we are delighted to have him back.

Bill specializes in traditional, ole school Virginia Oyster Roasts with raw, steamed, roasted and New Orleans styled specialty oysters. He prefers to use native/wild oysters from the York or Rappahannock Rivers or the Eastern Shore. The oysters are typically harvested the morning of the event. He uses seasoned hickory, beech and occasionally apple wood for his custom open fire roaster. After steaming, he "throws" the oysters on his oyster tables. We are thrilled to have Bill back this year since his oysters are the highlight of our event.

Tom Gillman, former Chair of the Muscarelle Museum of Art Board Foundation, and his wife, Cindy, love to entertain. When they are not busy running their B&B on Richmond Road, they enjoy their "River House" located 30 minutes away in Barhamsville. A couple of years ago they decided they wanted to build a place to host family and friends -so "The Shed" was built in 2023. Complete with a custom wood-fired pizza oven and kitchen plus restrooms and a fabulous water view, it is the perfect place for a throwdown! The space is perfectly equipped to host us all for a special evening and we will add a tent to make sure we have plenty of space.

Event will feature wine, bourbon and beer, roasted, fried and raw oysters, a low country boil, Brunswick stew, seafood gumbo, ham biscuits and wood-fired pizza. Expect some sweets to finish the meal and a cigar bar. Plus live music by Johnny St. Clair.

Raise your paddle high as you do not want to miss out on this fun gathering!

**Hosted on Sunday, October 25, 2026, from 3 p.m. to 7 p.m. for 200 guests.
Round trip coach transportation will be provided from the Muscarelle Museum of Art.
Bidding begins at \$225 per person. You don't want to miss this fun afternoon, so raise your paddles!**

Here is what Janet Brashear had to say about last years event:

"President Rowe, a true bourbon connoisseur, curates the evening with expertise and flair. Last year's event featured a guided tasting of select bourbons, each enjoyed neat and then paired with a custom cocktail crafted specifically for that bourbon. Guests also received a mixing demonstration and a recipe card to recreate the experience at home. To complement the pairings, the President's House chef designed an exquisite meal, perfectly matched to enhance the flavors of each selection."

HISTORY OF WINE & RUN FOR THE ROSES

Fifteen years ago, a few members of the Board of Trustees met to decide how to raise funds for the Muscarelle Museum of Art to purchase art. A Wine Auction was suggested and all agreed that this would be a great way to raise money and to have the Williamsburg community and beyond involved.

The plan was presented to the Board and it was approved!

The Committee quickly realized wine experts were needed, and a Wine Committee was established with many friends who were wine collectors and wine distributors agreeing to serve. The Wine Committee took the event to a high level with some of the best wines in the country auctioned each year.

The Wine Committee has continued to be a vital part of our *Wine & Run for the Roses*.

The initial goal of \$50,000 was exceeded. Since then, the annual goal has always been met thanks to the Presenting Sponsors, the corporate and individual sponsors, the Trustees and the community.

Originally Riverside Hospital served as a sponsor. Through the years, the Muscarelle Museum of Art has become partners with MCV Foundation and VCU Health. The Museum is very fortunate they have served as our Presenting Sponsor for ten years.

In the early years, the event was held in a tent in front of Phi Beta Kappa Hall. The event has grown and is now held in its current location...the Williamsburg Lodge.

WE ARE DELIGHTED TO ANNOUNCE
MALEK AMRANI
AS THE HONORED VINTNER FOR THE
2027 WINE & RUN FOR THE ROSES!

Malek Amrani is a Moroccan-born entrepreneur and winemaker, best known as the founder of The Vice Napa Valley Wines. Amrani's journey into the wine industry is both unconventional and inspiring. His passion for wine led him to establish The Vice in 2013, focusing on producing small-batch, single-varietal wines that are both high-quality and accessible. Malek is also the youngest member of the Board of the Napa Valley Vintners Association. We look forward to celebrating his contributions to the wine industry at next year's event.
